StressFlex^{25min}

The anti-stress toy is suitable for all ages from 4 years old, it offers fun and relief while standing or recharging the car during stressful days.

A groove located on the bottom allows for easy positioning on the edge of the storage compartment in the car door, making it easily accessible.

Option 01

material-infinergy 230

Thanks to its elasticity and flexibility, it allows a return to its original shape

The shape of the toy is created by pressing it into a mould
