

Squeeze juicer

redesign of
Alessi - Mysqueeze

The Juicer 2.0 by Alessi is a modern, innovative juicer designed to combine functionality with sleek aesthetics. Featuring a unique spiral design, this juicer efficiently extracts juice from citrus fruits with minimal effort. Its metallic finish gives it a contemporary and stylish look, making it a perfect addition to any modern kitchen. The Juicer 2.0 is not only a practical kitchen tool but also a statement piece that reflects Alessi's commitment to design excellence and innovation.
