(Wassup)

(Seeyuh)

I told her, "The glove don't fit." "I'm feelin' like O.J.  
The racks in my pocket and I link with O!  
Oh, 'zaks in the sprite, got me feelin' like Kobe, R.I.P., uh  
All my boys, they strapped up, don't try shit  
Walk inside the party, bitch, we all narcissists

Put 'em on the news or somethin'  
Put 'em on the news (Sup)  
Put 'em on the news (Alh)  
Put 'em on the news or somethin'

Jordan Terrell Carter, known professionally as Playboi Carti, is an American rapper. An influential figure among his generation, he has contributed to the progression of trap music and its rage subgenre (WLR).

Yeah, yeah, you came back and you failed, uh  
Second place, can't be in my face, oh, nah  
Thick pockets, they think I'm rockin' Chanel  
Fat wallet, lil' bitch, you know I got here  
Out of pocket with your bitch, Chanel  
Done grew me some horrors, baby, I'm from hell  
Southside, I was in Riverdale  
Off molly, that two-tone pill  
Rich nigga with all these fuckin' girls  
He next, I put him on the mural  
She's next, I told her she my girl
