

ZAHRADA

SADA PIKTOGRAMŮ

Lucie Štěpánová | 1. ročník BcA. | ADE | ZS 2025/2026

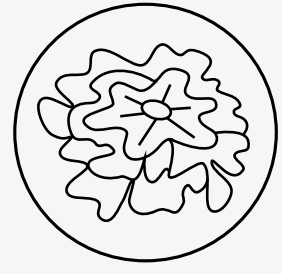

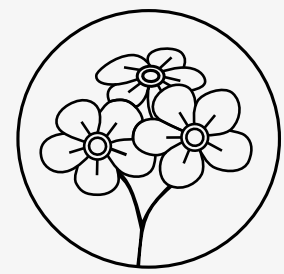

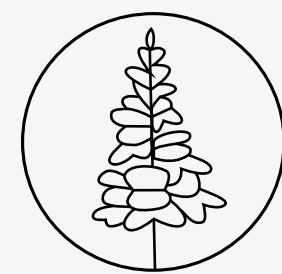

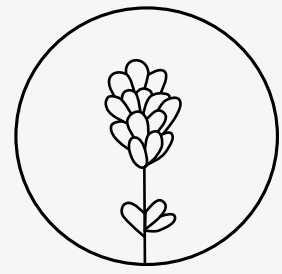

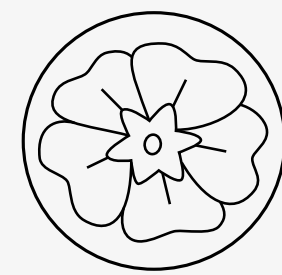

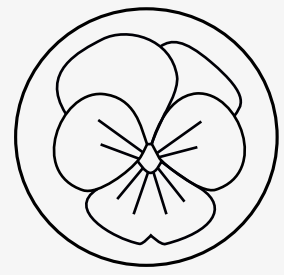

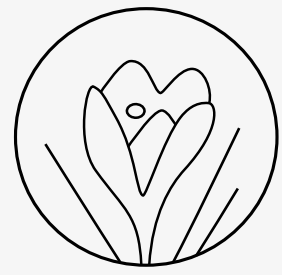

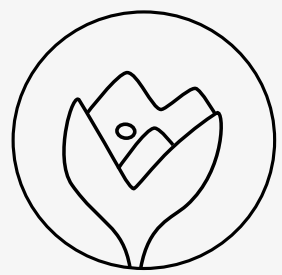

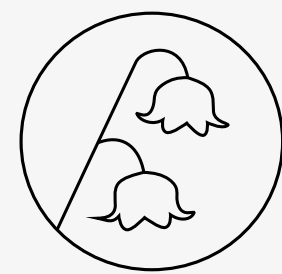

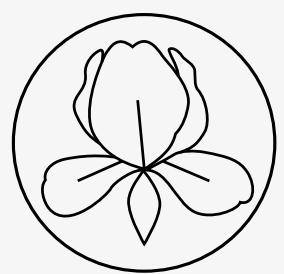

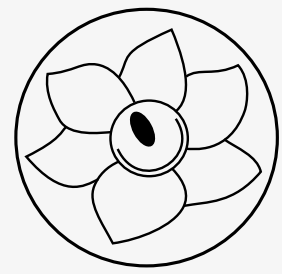

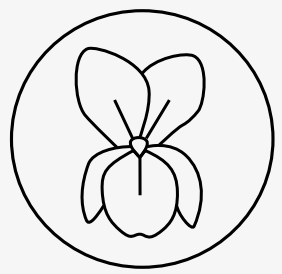

ANOTACE

Cílem bylo navrhnout sadu piktoqramů inspirovaných přírodou a tyto piktoqramy následně libovolným způsobem aplikovat.

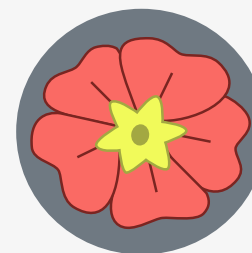

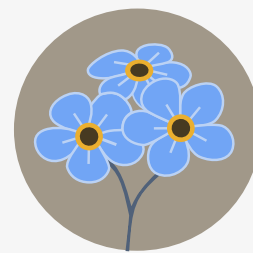

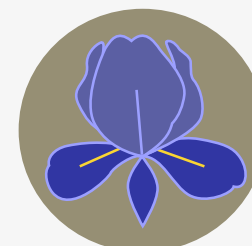

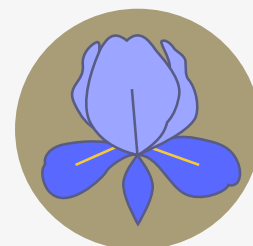

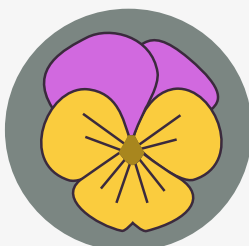

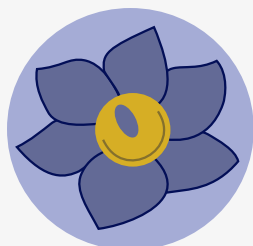

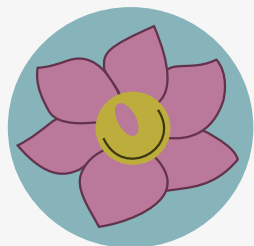

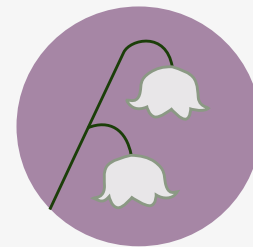

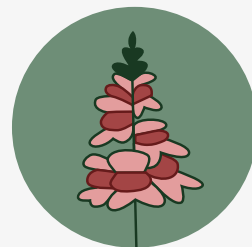

Autorka vycházela z prostředí zahrady a ztvárnila květiny, které zde můžeme běžně najít.

Výsledných deset piktoqramů bylo poté využito jako motiv na připínáčky.
